This Argentina holiday introduces you to some of the country's most compelling sights.

Program starts in **Buenos Aires**, with a mix of European edge, Latino flair, elegant boulevards and gritty backstreets and home of more than 10 world class courses, Argentina's capital city is the first destination of this experience

The adventure continues in **Calafate - The Glaciers Area**, a yawning wilderness of waving pampas that turns to steppe before reaching the ice fields of the far south

And then an unforgettable experience: golf in the magic **Patagonia Zone Lake**, combining 2 destinations: **Bariloche and San Martin de los Andes**, connected by the famous 7 lakes route.

Program ends in the **Iguazu Falls**, This immense shelf of water straddles the borders of Argentina and Brazil and although it's a celebrated South American landmark
